Looks like we have been assigned December 6th for community beer night at the Lewis and Clark Brewery. Sounds like a great night to drink beer =)

>> Organization Details:

>> Helena Vigilante Runner's purpose is to promote health, fitness, and community through group training runs, races, and social events in the greater Helena area.

>>

>> Areas Served:

>> The club serves as the umbrella group for Helena's diverse community of runners, which includes trail runners, track athletes, triathletes, and fitness enthusiasts. We occasionally bring people from around the state who participate in workouts and events. In October we hosted the Montana Cup which brought hundreds of people from around the state to Helena to run in an adult cross country meet.

>>

>> Impact:

>> We strive to create a welcoming running community in Helena. As an organization we support local school running programs, races, and other running events with participants, volunteers and organizers. We not only sponsor running events but also talks and events that are attended by community members. We promote fitness through running in Helena and the surrounding community.

>>

>> Projects/Needs:

>> We are currently looking into hosting several community events including a "runner's safety" workshop, hosting the HEAT track meet for youth in Helena, sponsoring a "junior Vigilante" running youth team, hosting Tuesday track workouts at Vigilante stadium, and hosting other speakers (hopefully Heather Leiberg - 2016 Olympic trials participant) and local physical therapists.

>>

>> Other Fundraising:

>> Most of the income from the organization is from donations from members of the Vigilante Running Club (which is free to join) and other businesses/organizations. Most of our operating expenses come from donations from members. We do sponsor several races in the community which typically break even with sponsors for the races. These races are in August and September.

>>

>> How will funds be used:

>> Funds will be used in our general fund which is used to maintain club membership (flyers, website, etc.), Tuesday track workouts (porta potty is a necessity!), and community events (such as our "Speaking of Running") series. In January, we were able to sponsor a talk by Olympian Jeff Galloway at the Myrna Loy that was free to the public). We hope to host more "Speaking of Running" events including speakers such as Helenan Heather Leiberg who ran in the marathon Olympic Trials this year.

>>

>> How will you promote:

>> We have a website, Facebook page, a listserve, and weekly Tuesday in person workouts that will be used to promote the event.

>>

>> People attending from Organization:

>> We estimate around 75-100 people from our organization would attend.

>>

>> Other Comments:

>> Thanks for your consideration! We could make almost any day work!
