TEAM SCORING: 8 athletes on the team entry/declaration form may be declared as scoring athletes. The top 5 finishers among the declared runners will score. Contact Jesse Zentz, Meet Director if you have a scoring team that is trying to qualify for the National Junior Olympic Cross Country Championships.

COMPETITION BIB NUMBERS: All competitors must wear their assigned bib numbers during competition, chest-high on the front of their jersey and be pinned at all four corners. Bib numbers and athlete packets may be picked up at the athlete check-in area on the day of competition starting at 10:00 AM Saturday, November 9, 2019.

FAT AUTOMATIC TIMING: Timing and results will be provided by Competitive Timing for all races with a timing chip embedded in the athlete's bib number. DO NOT WRINKLE, CRUMBLE OR DAMAGE the competition bib number prior to the start of the race you are competing in.

EVENT RESULTS: During competition, event results will be posted at the awards stand. In addition, event results will be posted at www.athletic.net and at www.vigilanterunning.org/youth.

CHAMPIONSHIP SHIRTS/APPAREL: Junior Olympic Cross-Country Championship apparel will be available for purchase at the event from Universal Athletic.

COURSE PREVIEW: Venue will be open at 10:00 AM Saturday, November 9, 2019. (Note: If there is frost on the course, it will remain closed until meet officials announce that it is open). Athletes are welcome to set up tents on the driving range, which is indicated on the venue map.

COMPETITION SPIKES: The venue consists primarily of grass turf. Only competition shoes with 1/4" (or smaller) pyramid spikes are permitted, but not required.

2019 USATF MEMBERSHIP: A 2019 USATF membership is required prior to proceeding with online registration for Junior Olympic participants and may be obtained by going online at www.usatf.org. Under "Product/Services" apply for membership. Open and master's participants ***are not*** required to obtain a USATF membership, unless vying for Association championships awards.

NOTE: Athletes who intend to compete as part of a team should first check with your coach or club manager, as many clubs offer assistance with the USATF membership process and can manage new registrations and renewals through the USATF club portal.

For Junior Olympic participants, if you join after November 1, 2019 (1:00 AM MST) of the current year, your membership will be valid for 2019, as well. Athletes who are former USATF member should make sure to renew their membership, instead of applying for new membership to avoid having to provide proof of age again. Proof of age is ***not required*** of Open and Masters participants.

Teams: Only registered USATF member clubs may enter a team. All athletes representing the club must be affiliated with that club as part of their USATF membership. To enter a team, a club must complete the team entry/declaration process during online registrations. Only athletes listed on the team declaration roster will be eligible to represent the club at the Association, Regional or National championships.

For first-time USATF members, before registration please ensure that the membership chair has received (via mail or fax) a copy of the athlete's Proof of Birth (copy of birth certificate, passport, certified baptismal record, driver's license or U.S. government identification). See Rule 300.1 (i) for further explanation.
