

# 2023 HELENA SUN RUN

SPONSORSHIP INFORMATION

Dear Friends,

It's that time of year! Sleeping Giant Citizens Council, Helena Vigilante Runners, the Montana Renewable Energy Association, and Helena Public Schools are proud to partner once again for the 8th Annual Helena Sun Run. We are teaming up for the fourth consecutive year with **Helena Public Schools, targeting Bryant Elementary for a new solar array.** Two previous Sun Runs successfully raised funds for solar arrays on Central and Jim Darcy elementary schools and last year's event began fundraising for Bryant. This year, we hope to bring the Bryant project across the finish line. In years past, we have fundraised for panels on Lewis & Clark Library, the Holter Museum, and Carroll College. We would love to include you as a financial partner in our ongoing goal of making Helena a beacon of renewable energy use, all while saving our partner organizations significant money on energy bills.

Please consider becoming a sponsor at the level that is right for you. And thank you for all you do in our community!

Cordially,

The Sun Run Planning Team
